LAKE JACKSON CIVIC CENTER, PLAZA RM 3

Coffee & Refreshments will be served!

*We can't wait to see you!*

Social determinants of health (SDOH) majorly impact people's health, well-being, & quality of life. Examples of SDOH include, but are not limited to:

Safe housing, transportation, neighborhoods, racism, discrimination, violence, education, job opportunities, income, access to nutritious foods, physical activity opportunities, polluted air or water, & language & literacy skills.
