

MENTAL HEALTH SERVICES

Gulf Coast Center is the Local Mental Health Authority (LMHA) for Galveston and Brazoria counties.

Our mental health services include a 24-hour crisis hotline, emergency and stabilization services, in-patient and out-patient psychiatric care, counseling, and skills/education training. We serve adults, children, and adolescents.

A focus on Care Coordination means that we make an extra effort to partner with community agencies to ensure that the services provided are tailored to individualized needs.
